FASHION : NEW OPENING 18 October 2013

# WELCOME GOLDEN GOOSE

L OFFICIEL

Welcome Golden Goose Deluxe Brand. Yesterday the first Italian flagship store has opened in the heart of Milan.

With the occasion the new FW13 women's collection is being presented, with the proposal of a "donna", cuts, textiles and colors. Decisively toned organza, Japanese polyester mixed with finest wool for an unexpected felt-like effect. Tailoring patterns re-interpreted in a geometric style with deep colors like teal, red and emerald.

Simply, Golden.
